## New Volunteers—The First Steps to Volunteering

1. **Create an account on 4-H Online 2.0:** <https://v2.4honline.com/#/user/sign-in>
  - Make sure to mark that you are a volunteer.
2. **Interview:** We want to find a volunteer opportunity that best suites you, your availability and interests. We will conduct a short face-to-face interview so that we can find an opportunity that best fits what you're looking for.
3. **Screening:** We are committed to ensuring that all of our youth are subject to safe learning environments. To do this, we require our volunteers to complete a background check at: National Criminal Background Check - <https://www.ejobapp-validityscreening.com/applicant/companies/28337/accounts/40651/positions>
  - This will take you to a website. Scroll down to HARVEY County. This is a 2 step process. You will need to create an System Account with your information. After you have set this up, you will receive an email with the information to complete the form.
4. **Orientation:** Complete the online orientation by watching the video sessions on 4-H Online 2.0.
5. **Official Appointment:** Once these steps have been completed, and board approval is confirmed, it's time to start making a difference!

## Current Volunteers:

Volunteers who have already completed the initial screening process are required to re-enroll annually on 4-H Online 2.0.

To ensure a safe environment for all youth, the State 4-H office has implemented that all 4-H Volunteers need to complete the National Criminal Background Check every 3 years.

While volunteerism is crucial to the success of 4-H, it is a privilege, not a right, to be a 4-H volunteer. Volunteers are expected to adhere to the Kansas 4-H Volunteer Code of Conduct. Volunteers may be dismissed from service at any time.
